# VIJAY KUMAR

Software Engineer | Java | Springboot  
| Git | GitHub | WebSockets | LLD & HLD |  
| Concurrency and Parallelism |

## About Me

Armed with a strong foundation in Java, object-oriented programming, and networking principles from my MCA studies, I've taken initiative to develop practical skills. My projects include a user-friendly TicTacToe game and a real-time chat application built using Java WebSockets. I'm eager to foster my skills, and learn from industry experts, and contribute to a tech-focused environment where I can continuously learn and grow.

## Self-Declaration

I certify that all the information provided in my resume is accurate and complete to the best of my knowledge. I understand that any false or misleading information may result in the rejection of my application or termination of my employment, if hired..

Vijay Kumar

## Career Objective

➤ "To leverage my technical skills and experience in a challenging and dynamic environment that fosters innovation and growth. I am seeking a role that allows me to collaborate with a team of like-minded professionals to develop cutting-edge solutions that meet the needs of clients and drive business success".

## Professional Qualification

Master of Computer Applications (MCA), AKGEC (AKTU)  
- Focused on SDLC, Operating System, Computer network, LLD and HLD.

Bachelor of Computer Applications (BCA), - Developed strong foundation in computer application.

## Projects

Job Application: Built a job application using Java, Spring and JPA for data persistence, Maven as build tool. Etc.

TicTacToe Game Application: Developed a TicTacToe game where users can play against each other over a network, utilizing Java sockets or WebSockets for communication.

## Tech Stack

Core Skills : Java, Spring boot, Git, GitHub, WebSockets using Java,

Build Tool : Maven,

Additional Skills : LLD & HLD fundamentals, Concurrency and Parallelism concepts,

User Interface : JavaScript and HTML.

## Soft Skills

Communication Skill, Problem Solver, Collaborator, Adaptability
